2. **Purpose.** MDHS hereby engages the Independent Contractor and the Independent Contractor hereby agrees to render certain professional services described in Paragraph 3, "Scope of Services."

3. **Scope of Services.** The Independent Contractor shall perform and render the following services:

Ongoing technical assistance post project for up to six (6) months

The Independent Contractor shall provide the above services either in her local offices or onsite at the MDHS offices. The Independent Contractor will be monitored during all semi-monthly calls to ensure all issues are resolved in a timely manner to MDHS satisfaction. The services will be measured based on the outcomes of case reviews. The Director of Quality Assurance and the Bureau Director of Administration will ensure that all services outlined above are performed satisfactorily by the Independent Contractor.

4. **Period of Performance.** The period of performance of services under this Contract shall begin on February 01, 2014 and end on January 31, 2015.

5. **Consideration and Method of Payment.**

A. As consideration of all services and performances under this Contract, the Independent Contractor shall be paid a fee not to exceed Fifty Three Thousand One Hundred Fifty Two Dollars and Zero Cents (\$53,152.00). It is expressly understood and agreed that in no event will the total compensation paid hereunder exceed the specified amount of Fifty Three Thousand One Hundred Fifty Two Dollars and Zero Cents (\$53,152.00).

B. The Independent Contractor will bill MDHS for its services on a monthly basis. Following the satisfactory completion, as determined by MDHS, of its (monthly or one time) services, the State requires the Independent Contractor to submit invoices electronically throughout the term of the agreement. Invoices shall be

submitted to MDHS using the processes and procedures identified by the State. The appropriate documentation shall be submitted on the last working day of the month, with the final invoice to be submitted within five (5) working days after the Contract ending date.

Payments by state agencies using the Statewide Automated Accounting System (SAAS) shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Independent Contractor's choice. The State may, at its sole discretion, require the Independent Contractor to submit invoices and supporting documentation electronically, at any time, during the term of this Agreement. Independent Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. MDHS agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," Mississippi Code Annotated 31-7-301, et. Seq., which generally provides for payment of undisputed amounts by MDHS within forty-five (45) days of receipt of invoice.

**6. Relationship of Parties.**

A. It is expressly understood and agreed that MDHS enters into this Contract with Independent Contractor on a purchase of service basis and not on an employer-employee relationship basis. Nothing contained herein shall be deemed or construed by MDHS, the Independent Contractor, or any third party as creating the relationship of principal and agent, partners, joint venturers, or any similar such relationship between MDHS and the Independent Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of MDHS or the Independent Contractor hereunder, create or shall be deemed to create a relationship other than the independent relationship of MDHS and the Independent Contractor.

B. Independent Contractor represents that it has, or will secure, at its own expense, applicable personnel who shall be qualified to perform the duty required to be performed under this Contract.

C. Any person assigned by Independent Contractor to perform the services hereunder shall be the employee of Independent Contractor, who shall have the sole right to hire and discharge its employee. MDHS may, however, direct Independent Contractor to replace any of its employees under this Contract. If Independent Contractor is notified within the first eight (8) hours of assignment that the person is unsatisfactory, Independent Contractor will not charge MDHS for those hours.

D. It is further understood that the consideration expressed herein constitutes full and complete compensation for all services and performances hereunder, and that any sum due and payable to Independent Contractor shall be paid as a gross sum with no withholdings or deductions being made by MDHS for any purpose from said Contract sum.

E. Independent Contractor shall pay when due all salaries and wages of its employees, and it accepts exclusive responsibility for the payment of Federal Income Tax, State Income Tax, Social Security, Unemployment Compensation and any other withholdings that may be required.

7. **Termination for Cause.** If, through any cause, Independent Contractor fails to fulfill in a timely and proper manner, as determined by MDHS, its obligations under this Contract, or if Independent Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, MDHS shall thereupon have the right to terminate the Contract by giving written notice to Independent Contractor of such termination and specifying the effective date thereof at least five (5) days before the effective date of such termination. In the event of such termination, Independent Contractor shall be entitled to receive just and equitable compensation for satisfactory work completed on services or documents or materials collected and/or prepared by Independent Contractor in connection with this Contract. Such compensation shall be based upon the fees set forth in Paragraph 5, but, in no case, shall said compensation exceed the total Contract price.

Notwithstanding the above, Independent Contractor shall not be relieved of liability to MDHS for damages sustained by MDHS by virtue of any breach of this Contract by Independent Contractor, and MDHS may withhold any payments to Independent Contractor for the purpose of set off until such time as the exact damages due to MDHS from Independent Contractor are determined.

8. **Termination for Convenience of MDHS.** MDHS may terminate this Contract at any time by giving written notice to Independent Contractor of such termination and specifying the effective date thereof at least five (5) days before the effective date of such termination. Independent Contractor shall be paid an amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed bear to the total services of Independent Contractor covered by the Contract, less payments of compensation previously made.

9. **Ownership of Documents and Work Products.** All data collected by Independent Contractor and all documents, notes, programs, data bases (and all applications thereof), files, reports, studies, and/or other material collected and prepared by Independent Contractor in connection with this Contract shall be the property of MDHS upon completion of this Contract or upon termination of this Contract. MDHS hereby reserves all rights to the data base and all applications thereof and to any and all information and/or materials prepared under this Contract.

The Independent Contractor is prohibited from use of the above described information and/or materials without the express written approval of MDHS.

**10. Record Retention and Access to Records.** Independent Contractor shall maintain, and make available to MDHS, any State agency authorized to audit MDHS, the federal grantor agency, the Comptroller General of the United States or any of their duly authorized representatives, financial records, supporting documents, statistical records, and all other records pertinent to the services performed under this Contract. These records shall be maintained for at least three (3) years; however, if any litigation or other legal action, by or on behalf of the state or federal government has begun that is not completed at the end of the three-year period, or if audit finding, litigation, or other legal action has not been resolved at the end of the three-year period, the records shall be retained until resolution.

**11. Modification or Amendment.** Modifications, changes, or amendments to this Contract may be made upon mutual agreement of the parties hereto. However, any change, supplement, modification, or amendment of any term, provision, or condition of this Contract must be in writing and signed by both parties hereto.

**12. Assignments and Subcontracts.** Independent Contractor shall not assign, sublet, or otherwise transfer the obligations incurred on its part pursuant to the terms of this Contract without the prior written consent of MDHS. Any attempted assignment or transfer of its obligation without such consent shall be wholly void.

**13. Waiver.** Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this Contract.

**14. Availability of Funds.** It is expressly understood and agreed that the obligation of MDHS to proceed under this Contract is conditioned upon the availability of funds, the appropriation of funds by the Mississippi Legislature, and the receipt of state and/or federal funds. If, at any time, the funds anticipated for the fulfillment of this Contract are not forthcoming or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to MDHS for the performance of this Contract, MDHS shall have the right, upon written notice to Independent Contractor, to immediately terminate this Contract without damage, penalty, cost, or expense to MDHS of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

**15. Price Adjustment.**

**A. Price Adjustment Methods.** The Contract price may be changed only by written agreement of the parties. The value of any work covered by any claim for increase or decrease in the Contract Price shall be determined by one or more of the following methods:

- (1) Unit prices, if any, previously approved by the parties and specified in this Contract; or
- (2) MDHS may, at any time by written order, make changes in the specifications within the general scope of this Agreement. If any such change causes an increase in the amount due under this Contract or in the time required for performance under this Agreement and if MDHS decides that the change justifies an adjustment to the Contract, an equitable adjustment in the Contract may be made by written modification of this Agreement.

No charge for any extra work or material will be allowed unless the same has been provided for by written amendment to this Contract signed by both parties.

**B. Submission of Cost Pricing Data.** The Independent Contractor shall provide cost or pricing data for any price adjustments subject to the provisions of Section 3-403 (Cost or Pricing Data) of the Mississippi Personal Service Contract Procurement Regulations.

**16. Indemnification.** MDHS shall, at no time, be legally responsible for any negligence or wrongdoing by the Independent Contractor and/or its employees, servants, agents, contractors, and/or subcontractors. Independent Contractor agrees to indemnify, defend, save and hold harmless MDHS from and against all claims, demands, liabilities, suits, damages, and costs of every kind and nature whatsoever, including court costs and attorney's fees, arising out of or caused by Independent Contractor and its employees, agents, contractors, and/or subcontractors in the performance of this Contract.

**17. Insurance.** Independent Contractor represents that it will maintain workers' compensation insurance which shall inure to the benefit of all Independent Contractor's personnel performing services under this Contract, comprehensive general liability insurance, and employee fidelity bond insurance. Independent Contractor will furnish MDHS a certificate of insurance providing the aforesaid coverage, prior to the commencement of performance under this Agreement.

18. **Applicable Law.** The Contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the state. The Independent Contractor shall comply with applicable federal, state and local laws and regulations.

19. **Representation Regarding Contingent Fees.** The Independent Contractor represents that it has not retained a person to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in the Independent Contractor's bid, proposal, or herein.

20. **Certification of Independent Price Determination.** The bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid.

21. **Representation Regarding Gratuities.** The Independent Contractor represents that neither it nor any officer, employee, agent, subcontractor or other representative of the Independent Contractor has violated, or is violating, and promises that it will not violate the prohibition against gratuities set forth in Section 6-204 (Gratuities) of the Mississippi Personal Service Contract Procurement Regulations.

22. **Procurement Regulations.** The Contract shall be governed by the applicable provisions of the Personal Service Contract Review Board Regulations, a copy of which is available for inspection at 210 East Capitol Street, Suite 800, Jackson, Mississippi 39201, or downloadable at [www.mspb.ms.gov](http://www.mspb.ms.gov).

23. **Severability.** If any term or provision of this Contract is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this Contract shall not be affected thereby and each term and provision of this Contract shall be valid and enforceable to the fullest extent permitted by law.

24. **Stop Work Order.**

A. **Order to Stop Work.** The Director of Division of Field Operations, may, by written order to the Independent Contractor at any time, and without notice to any surety, require the Independent Contractor to stop all or any part of the work called for by this Contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to the Independent Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the Independent Contractor shall forthwith comply with its terms and take all steps to

minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Director of Division of Field Operations shall either:

- (1) cancel the stop work order; or
- (2) terminate the work covered by such order as provided in the "Termination for Cause" clause or the "Termination for Convenience" clause of this Contract.

**B. Cancellation or Expiration of the Order.** If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the Independent Contractor shall have the right to resume work. An appropriate adjustment may be made in the delivery schedule or Independent Contractor's price, or both. If the stop work order results in an increase in the time required for, or in the Independent Contractor's cost properly allocable to, the performance of any part of this Contract and the Independent Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage, an equitable adjustment in the Contract may be made by written modification of this Contract. If MDHS decides that the need justifies the requested adjustment, a modification will be made as provided by Section 11, Modification or Amendment, of this Contract.

**C. Termination of Stopped Work.** If a stop work order is not canceled and the work covered by such order is terminated for cause or convenience, the Independent Contractor may be paid the agreed upon price for any completed deliverable or service not previously tendered to MDHS, provided that MDHS accepts any such deliverable or service; or Independent Contractor may be paid an amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed bear to the total services of Independent Contractor covered by the Contract, less payments of compensation previously made.

**D. Adjustment of Price.** Any adjustment in Contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this Contract.

**25. Disputes.** Any dispute concerning a question of fact under this Contract which is not disposed of by agreement shall be decided by the Director of the Division of Field Operations. This decision shall be reduced to writing and a copy thereof mailed or furnished to the Independent Contractor and shall be final and conclusive, unless within thirty (30) days from the date of the decision, Independent Contractor mails or furnishes to the Executive Director of MDHS a written request for review. Pending final decision of the Executive Director of a dispute hereunder, the

Independent Contractor shall proceed in accordance with the decision of the Director of the Division of Field Operations.

In a review before the Executive Director or designee, the Independent Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position on the question and decision under review. The decision of the Executive Director on the review shall be final and conclusive unless determined by a court of competent jurisdiction in Hinds County, State of Mississippi, to have been fraudulent, capricious, so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence.

**26. Compliance with Laws.** The Independent Contractor understands that the State is an equal opportunity employer and therefore maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, State, or local laws. All such discrimination is unlawful and the Independent Contractor agrees during the term of the agreement that the Independent Contractor will strictly adhere to this policy in its employment practices and provision of services. The Independent Contractor shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.

**27. Confidentiality.** Independent Contractor shall treat all State data and information to which it has access under this Contract as confidential information to the extent that confidential treatment of same is required under federal and state law and shall not disclose same to a third party without specific written consent of the State. In the event that Independent Contractor receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information, Independent Contractor shall promptly inform the State and thereafter respond in conformity with such subpoena as required by applicable state and/or federal law, rules, and regulations. The provision herein shall survive termination of the Contract for any reason and shall continue in full force and effect and shall be binding upon the Independent Contractor and its agents, employees, successors, assigns, subcontractors, or any party claiming an interest in the Contract on behalf of, or under, the rights of the Independent Contractor following any termination.

**28. E-Verify.** Independent Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Mississippi Code Annotated 71-11-1 and 71-11-3, and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other

successor electronic verification system replacing the E-Verify Program. Independent Contractor agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. Independent Contractor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Independent Contractor understands and agrees that any breach of these warranties may subject Independent Contractor to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license permit, certification or other document granted to Independent Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or both. In the event of such termination/cancellation, Independent Contractor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of "license or permit."

**29. Special Terms and Conditions.** It is agreed and understood by each party to this Contract that there are no special terms and conditions.

**30. Entire Agreement.** This Contract constitutes the entire agreement of the parties with respect to the subject matter contained herein and supersedes and replaces any and all prior negotiations, understanding, and agreements, written or oral, between the parties relating thereto.

Unless exempted from disclosure due to a court-issued protective order, this Contract is required to be posted to the Department of Finance and Administration's independent agency contract website for public access.
